_____ I am interested in purchasing and installing the **Home Zone Security Solar Deck Lights – Outdoor Solar Dock and Driveway Path Lights, Weatherproof with No Wiring Required, Black (4-Pack)** (these can be found on Amazon).

I understand that I cannot proceed without having first received written confirmation from REI on behalf of the Board of Directors. These solar lights must be installed in the front or rear mulch area of the unit/walkway only and must be 4-5 feet apart. No lights can be placed in the common areas, grass areas, or around trees. All light coming from the light source must be white-no other colors allowed. If you have similar lights that you would like the Board to consider, please submit photos with this form.

Sincerely,
